恩施——从默默无闻到惊艳世界，这座北纬 30° 上的秘境，曾被美国 CNN 评选为“中国最美仙境”，被《中国国家地理》评选为“中国最美的地方”。它是驴友眼中的“湖北小西藏”、“湖北香格里拉”，被评为 2018 中国最美县域之一！恩施是全球唯一获得“世界硒都”称号的城市，这里资源富饶，有天然植物园、鄂西林海、华中药库之称。这里气候宜人，癌症发病率低，人均寿命高，百岁老人遍布，被誉为“天然氧吧”、“长寿之地”，也是世界天然生物硒资源最富集的地区，被誉为“世界第一天然富硒生物圈”。2020 恩施新冠肺炎本土为 0，是可放心游玩，康养避暑的胜地。

Enshi - from obscurity to stunning the world, this secret realm at 30 ° N latitude has been selected by CNN as

"China's Most Beautiful Wonderland" and by National Geographic as "China's Most Beautiful Place". It is the "Little Xizang in Hubei" and "Shangri La in Hubei" in the eyes of donkey friends, and was rated as one of the most beautiful counties in China in 2018! Enshi is the only city in the world to be awarded the title of "World Selenium Capital". It is rich in resources and is known as a natural botanical garden, western Hubei forest sea, and central China medicine warehouse. The climate here is pleasant, the incidence rate of cancer is low, the life expectancy is high, and centenarians are all over the place. It is known as the "natural oxygen bar", "the land of longevity", and also the area with the most abundant natural biological selenium resources in the world, known as the "world's first natural selenium rich biosphere". In 2020, the local level of Enshi COVID-19 is 0, so it is a place where people can play and recuperate at ease.

remarks:

1. Without reducing the number of attractions and lowering service standards, tour guides can arrange the order of their itinerary according to the actual situation.
2. Please purchase personal accident insurance on your own.

be careful:

1) Tourists should attend the pre departure briefing organized by the travel agency and ensure that their physical condition is sufficient to complete the tourism activities before traveling. Travel agencies recommend that tourists choose and purchase travel accident insurance or overseas rescue insurance based on their actual situation before traveling;

2) The coverage of travel accidental injury insurance or rescue insurance does not include the following situations. Tourists should consult relevant insurance companies before purchasing!

1. Chronic diseases carried by tourists themselves;
2. Participate in high-risk activities recognized by insurance companies, such as skydiving, skiing, diving, etc;
3. Exemption from liability items stipulated by insurance companies for pregnancy, miscarriage, etc.

3) Safety matters:

Tourists should pay attention to personal and property safety when traveling abroad. Tourists must accompany the tour guide and pay attention to the safety of their belongings during the trip;

When taking transportation, please be sure to carry cash, documents, or valuable items with you and do not put them in your luggage; When leaving hotels and tour buses for travel, please make sure to carry cash, documents, or valuable items with you. Because hotels are not responsible for the safety of valuable items in guest rooms, and drivers are not responsible for the safety of passengers' valuable items on buses, insurance companies do not insure cash.

3. If any property (such as plane tickets, passports, money, clothing, etc.) is lost due to personal negligence, the travel agency will not be held responsible; And it cannot delay the group's itinerary as a result.

4) Kind reminder:

Must hold a valid passport for at least 6 months.

After guests arrive, please present your passport to the tour guide for identity verification before participating in the tour.
